ENDURO DA1017
RUGGED
10.1" TABLET

The Enduro DA1017 is a cost efficient rugged 10.1" Android tablet designed for professionals in the military, field service, transportation and public safety. Enduro DA1017 sets up a new definition for rugged laptops by passing a 4 feet (1.22 m) free-drop test and IP65 rating protection. It provides exceptional computing, powerful graphic performance, various wireless connection and long battery life in a balanced factor among display size and weight.

DA1017
